

Industry Sponsored Satellites Session: Wednesday 9th May 2012

Industry Sponsored Satellite Symposia are sessions that are planned and conducted by the corporate community in conjunction with ECO2012. They provide attendees with additional educational/informational opportunities but are not part of the official ECO2012 scientific programme.

1600 - 1730 hrs

Low calorie sweeteners - translating the science into practical recommendations

INTERNATIONAL SWEETENERS ASSOCIATION

Please see the [ECO2012 Full Programme](#) for detailed information.
